JEWELL SCHOOL WELCOMES NEW ADMINISTRATION

Beginning August 1, 2012 thru June 30, 2013, Jim Carlile will be serving as Interim Superintendent for the Jewell School.

Beginning January 1, 2013 thru June 30, 2013 Larry Lockett, former principal of Astoria, will be serving daily as Jewell's site Administrator.

A very special thanks to Superintendent James Sager of the NWRESD who is currently serving as our interim Superintendent, for all the hard work & dedication he has put in towards Jewell School's transition. Mr. Sager will continue to support both Mr. Carlile and Mr. Lockett throughout the school year.

Visit the Jewell website for up-to -date calendar information and current sports schedules:

NO VOLLEYBALL FLYERS CAMP

There will be no Volleyball Flyers Camp this summer.

HIGH SCHOOL CLASS SCHEDULING

All high school class scheduling will take place on Tuesday, August 21st. Scheduling will occur between 1:00-3:00 p.m. A schedule will be available at that time for students to select classes from. Students will be asked to select classes and electives based on their first, second, and third choices.

SEEKING VOLUNTEERS FOR THE HOOD TO COAST RUN

The Annual Hood to Coast Run will be coming through the Jewell area on Friday evening August 24th until mid-afternoon Saturday August 25th. If you are interested in volunteering your time for this event, please call Gwen Jarvela @ 755-2401 for more information.

VOLUNTEERS FOR SCHOOL PROJECTS

Anyone interested in volunteering in the construction of the school district's new baseball field and barn beginning in August, please contact Ryan Sunnell @ 503 7552451, ext. 37.

Just a note to parents who have children entering into kindergarten for the 2012-13 school year. All children entering kindergarten must have on file a completed immunization form and a document showing proof of birth before they can enter school. Your child must also be 5 years of age on or before September 1, 2012. If you have any questions, please call Allyce

@ 755-2451, ext. 10.

Are you a 3rd-12th grader? If so, come have fun with your friends!

This is an instructional camp directed by the Blue Jay Football Coaching Staff. Participants will be separated into their grade levels where they will learn the techniques of every football position, both individually and as a team. The camp will teach the latest in modern football as well as the basics of the Blue Jay Football System. We are excited about this camp because we know it helps all young people become better football players and athletes. It is my privilege to personally invite you to the 2012 Jewell Pigskin Camp. See you August 13th!

About Rachel's Challenge

Each day 160,000 students do not go to school because they are bullied, teased and harassed. By turning the story of a tragic death at Columbine High School into a mission for change, *Rachel's Challenge* is helping create safer learning environments and making a world-wide impact.

Rachel's Challenge is a series of student empowering programs and strategies that equip students and adults to combat bullying and ally feelings of isolation and despair by creating a culture of kindness and compassion. The programs are based on the writings and life of 17 year-old Rachel Scott who was the first student killed at Columbine High School in 1999. Rachel left a legacy of reaching out to those who were different, who were picked on by others, or who were new at her school. Shortly before her death she wrote,

"I have this theory that if one person can go out of their way to show compassion, then it will start a chain reaction of the same. People will never know how far a little kindness can go."

Rachel's Challenge was started by Rachel's dad and stepmom, Darrell and Sandy Scott when they realized that the writings and drawings Rachel left not only had an impact on her friends and classmates, but also resonated with students around the world. Although Rachel was a typical teenager who even wrote about her "ups and downs," she had a passion and conviction that she would someday change the world. The Scott family knew her story and passion had to be told to inspire others to make their world a better place.

Christmas Food and Gift Basket Project

Jewell School participates in this project in several ways to support our community.

If your family will be needing help through this program, this notice is for you. Request forms contain all information on how to apply for this help. Resources are limited, so families with children and our elderly residents in need are given priority. Those who live in the Elsie/Jewell Fire District can find request forms at the Jewell School Office, Baker's Store, and Nehalem Valley Community Church. Residents in the Birkenfeld area need to contact the Birkenfeld Fire Dept or the Mist/Birkenfeld Helping Circle.

For those who would like to help with this project - Adopt-a-Family by providing the Christmas Meal Box; get a tag from the Giving Trees at Jewell School or Baker's Store to provide a gift, donate to the Canned Food Drive run by Student Council, provide a turkey, donate funds, or help in other ways. Please call Bev Hopkins (503 755-2312) for more info and your ideas ASAP.

4-H Registration

Nehalem Valley Adventurers (K-3) and Nehalem Valley Livestock (4-12) 4-H Clubs are starting their new year. Registration starts now. If you are interested in joining, call

Jessica Miller (K-3) 503 440-0729, Faith Samuelson 503 717-2234, 755-0301, or Jesse Littlepage 503 717-3167.

Background Check Forms

For anyone who would like to volunteer in the classroom and/or attend field trips, please fill out and return to the school the Background Check Form enclosed with this newsletter.

SUPERINTENDENT LETTER

Oregon High School Diploma Requirements

As many parents already know, a few years ago the state of Oregon increased the degree of difficulty to earn an Oregon high school diploma. In addition to requiring four years of English the new law demands that student's also take three years of science and three years of math through Algebra 2. In addition to these course expectations, students now need to earn a Meets score on the Oregon Assessment of Knowledge and Skills in reading/literature and writing, and beginning with current junior level students, all students must also earn a Meets score on the OAKS mathematics to earn a standard Oregon Diploma.

In preparation for these more demanding standards, Jewell School has for some time been modifying their course content to insure that students get plenty of instruction to prepare them for these rigorous standards and exams. As we begin the 2012-13 school year we will contact parents of senior students who have not yet earned a <u>Meets</u> score on any of this year's required tests. In addition we will be alerting parents about the schedule for exams that all junior students will be taking over the course of this school year in hopes of enlisting their support for their student's preparation this year.

Senior students who have not yet met the passing score on either reading/literature or writing exams are already receiving extra small-group instruction to prepare them for this year's next round of testing. Of particular note is the writing test window which begins in February. We will ratchet up our efforts with all senior students who have not met in preparation for that test and we will work hard to prepare all 11th grade students for all three tests; reading/literature, math, and writing that will be administered in winter and spring of 2013

Please give me a call at 503-755-2451 extension # 2 if I can answer any questions about the graduation requirements.

Rachel's Challenge

We continue to engage in on-going activities designed to follow-up on the momentum we gathered from the Rachel's Challenge program. Every day we are seeing students in their classrooms or in the cafeteria and halls demonstrating some of the ideas they learned or are learning.

Preliminary Scholastic Aptitude Test

On October 17, all junior students will take the PSAT during the school day. This exam is required by the state of Oregon. The test is administered nationally and is valuable for our work with parents and students in planning their educational future and seeing what they need to do learn before they complete high school. Parents will receive the results for their students along with a guide that explains where a student ranks among students across the country. Please let us know if you have any questions about your student's progress and how we can assist him/her in future planning.

Interim Superintendent Allyce Chronister, Office Manager

Personal Note

I continue to appreciate the opportunity to work with the students and adults in the Jewell School District. I am most struck by how well behaved and respectful the students are. The school is very well maintained because kids take care of their lockers, the halls and restrooms and the older students seem really protective of the younger kids. This community should be proud of these students. They are great to work with.

SUPERINTENDENT LETTER

Oregon High School Diploma Requirements

As many parents already know, a few years ago the state of Oregon increased the degree of difficulty to earn an Oregon high school diploma. In addition to requiring four years of English the new law demands that student's also take three years of science and three years of math through Algebra 2. In addition to these course expectations, students now need to earn a <u>Meets</u> score on the Oregon Assessment of Knowledge and Skills in reading/literature and writing, and beginning with current junior level students, all students must also earn a <u>Meets</u> score on the OAKS mathematics to earn a standard Oregon Diploma.

In preparation for these more demanding standards, Jewell School has for some time been modifying their course content to insure that students get plenty of instruction to prepare them for these rigorous standards and exams. As we begin the 2012-13 school year we will contact parents of senior students who have not yet earned a Meets score on any of this year's required tests. In addition we will be alerting parents about the schedule for exams that all junior students will be taking over the course of this school year in hopes of enlisting their support for their student's preparation this year.

Senior students who have not yet met the passing score on either reading/literature or writing exams are already receiving extra small-group instruction to prepare them for this year's next round of testing. Of particular note is the writing test window which begins in February. We will ratchet up our efforts with all senior students who have not met in preparation for that test and we will work hard to prepare all 11th grade students for all three tests; reading/literature, math, and writing that will be administered in winter and spring of 2013

Please give me a call at 503-755-2451 extension # 2 if I can answer any questions about the graduation requirements.

Rachel's Challenge

We continue to engage in on-going activities designed to follow-up on the momentum we gathered from the Rachel's Challenge program. Every day we are seeing students in their classrooms or in the cafeteria and halls demonstrating some of the ideas they learned or are learning.

Preliminary Scholastic Aptitude Test

On October 17, all junior students will take the PSAT during the school day. This exam is required by the state of Oregon. The test is administered nationally and is valuable for our work with parents and students in planning their educational future and seeing what they need to do learn before they complete high school. Parents will receive the results for their students along with a guide that explains where a student ranks among students across the country. Please let us know if you have any questions about your student's progress and how we can assist him/her in future planning.

Career Fair Set for November 21st 9:00 a.m.

Jewell middle and high school students will learn about a variety of careers on Wednesday, November 21st at our Career Fair. All students will have the chance to attend three presentations of their choice to learn about the educational skills and other expectations required to pursue a career in such varied occupations as law enforcement, mechanics, health occupations, business management, fishing and tourism. Larry Lockett has organized the program taking advantage of his many contacts in the area and his long years of service as the Principal at Astoria High School.

LIBRARY UPDATE From Kristin Kuhnly

"K-2 grades are working hard on how to treat books and the proper behavior in the library and at story time. We recently read a book called "The Sandwich Swap," It was a wonderful story about two best friends who always ate the same thing at lunch. One ate PB&J and the other ate a hummus sandwich. In the end each friend tried the other friend's sandwich and ended up loving it! We challenged the kids to try a new food that week. We even prepared some hummus for them to try. They tried it on celery, crackers, and pita bread. Every single student tried something new and enjoyed telling the others about it. We have spent some time learning about how the books are arranged in the library. They have also done many crafts and activities related to alphabetizing."

VETERAN'S DAY RECOGNITION

Thursday, November 8, Jewell School students learned about the meaning of Veteran's Day in a morning program presented by Mike Phillips of the Astoria American Legion Chapter. All 150 students in the school were included in the recognition of Veteran's Day which also included patriotic music from the band. Thanks

BUS NOTES

Parents, just a reminder to please send your student with written bus notes vs. calling bus note in whenever it is possible.

SPORTS

High School Boys' and Girls' Basketball practice begins Tuesday, November 13th, from 6:00 p.m. to 8:15 p.m. All participants must have permission/insurance forms completed and into coach prior to participating. All participants also must have a current physical on file.

Girls will practice from 3:00 to 5:00 p.m. on November 14th, 15th & 16th. Boys will practice from 5:00 to 7:30 p.m. on November 14th, 15th & 16th. The 5:00 sports bus will be available for after school practices. Students must provide their own transportation for all other practices that run later than 5:00 p.m..

A more complete practice schedule will be provided to athletes after the 16th. Please do not hesitate to call Mark Fick, Athletic Director, at 503 755-2451, ext. 2414 if you have any questions.

HIP HOP DANCE CLASS SIGN-UPS

Hip Hop Dance Classes begin on Tuesday, November 8th, for all ages. K-5th grade class will be from 3:00-3:45 p.m. and the 6th - 12th grade class will be from 4:00 -4:50 p.m. Both 4:00 p.m. and 5:00 p.m. bus transportation will be provided for students.

Please fill out and return to the school, the Hip Hop Class registration form included in this newsletter.

ASSISTANCE LEAGUE OF ASTORIA

The Assistance League of Astoria has made a considerable contribution to the students of Jewell School. Twenty six of our students have recently received \$80 worth of clothing to meet the needs of our students and families. Local community member, Leslie Engbretson has been a key roll in facilitating this service to our students. We would like to express our gratitude to her and this wonderful organization! SPEECH SERVICES

This year Jewell has a new team providing speech services to our students. At the start of the year Northwest Regional Education Service District (NWRESD) did not have enough speech pathologists to serve our district. In October Mrs. Maria Garcia-Hurd, a certified speech language pathologist, joined us and began working with students who need extra support for speech. She is assigned here at Jewell one day a week and comes on Wednesdays and, once a month on Thursdays.

On November 14th, Ms Garcia-Hurd's new assistant, Ms. Margie Nielsen, certified speech language assistant, started working with Jewell students. Ms. Nielsen will be here at Jewell two days a week on Wednesdays and Fridays. We are thrilled to have such qualified people working here at Jewell.

TITLE I PROGRAM

On Early Release Tuesdays only, there will be no after school Title I Program. These Title I times will be made up on Fridays of the same week.

HAM RADIO

The first meeting of a newly constituted Ham Radio Club was held on Wednesday, November 28, 2012 at Jewell School. Local Ham Radio Instructor, Ken Lucke, met with about a dozen middle and high school students who are interested in forming a Ham Club at Jewell. Students will be meeting weekly as

they begin to prepare to become licensed operators and to develop plans to secure a Ham Radio site at Jewell School.

WINTER BREAK SCHEDULE 2012

This year's winter break schedule is a little different because both Christmas Day and New Year's Day fall on Tuesdays. Students will be released on Friday December 21st at noon for the winter break and will return to school on Monday, January 7, 2013.

MIDDLE SCHOOL SCIENCE

Our middle school students have just completed their latest science Celebration of Learning on Animal Diversity.

We began our unit of study by learning the general classification system of animals... from domain to the species level. In other words... Did King Philip Come Over For Golden Spoons?

The culmination of our study concentrated on the 15 different **Classes** of animals....or **Come** from the acronym just cited.

Each student was asked to investigate the general characteristics of their chosen class of animal, identify which Phylum or Philip it belonged to, create two pertinent review questions and discover some interesting facts about their animal or class of animals. Students were given artistic liberty in how they wanted to present their findings and they took full advantage of it. Everything from paper Mache to bringing live animals to creating power points to using tri-boards to display their findings were incorporated.

Finally, students were asked to share their findings with the rest of the school with the help of our Librarian, Kristen. It was a wonderful opportunity for all of our middle school students to share their knowledge with others, and I want to thank all of you for your support. It meant so much to all of us. Thank you!

SCHOOL BOARD ELECTIONS

For those who are interested in running for a board seat, elections will end at 5:00 p.m., Thursday, March 21, 2013. If you have questions, please call the Elections office at 325-8511.

SENIOR PROJECT NIGHT

We would like to invite you to Senior Project Night on March 19th at 6:30 p.m. Everyone is welcome to come celebrate what our seniors have learned in careers class!

BARN PROJECT UPDATE

WE ARE GOING SOLAR! The Jewell School District has decided to take the new barn completely off grid. That means we will be generating 100 percent of the barn's electricity from the power of the sun. The district has purchased a complete off grid solar power supply system for our new facility. The system consists of 12 roof mounted monocrystalline solar panels that can generate approximately 3000 KW of

electricity and 400 AH of battery backup. We will be able to generate enough power to handle all of our lighting and general power use needs. All the components used are 100 percent American made and most of it made locally here in Oregon and Washington. With the help of our students, staff and community volunteers we will be working on the install within the next month. If you are interested in volunteering on the solar install, contact Ryan at 503 755-2451 ext. 2437.

COMMUNITY FOOD BANK

The South County Community Food Bank is set to make another delivery to the Jewell area on March 23 from 11:00 a.m. to 1:00 p.m. or until no one is waiting. Last month over 25 families used the services. Residents of the Jewell School District will be able to visit the mobile food pantry being set up at the Elsie/Vinemaple Fire Station across from Elderberry Inn Restaurant. Anyone with questions or concerns should call Norm Mc Laren at the food bank, 503-738-9800 or his cell at 503-717-3053.

JEWELL SCHOOL PARENT TEACHER CONFERENCES

Thank you to all parents for the great turnout for Jewell's spring parent teacher conferences!

Parents are a vital key in their child's educational success and your attendance confirmed your support.

If you were unable to make your conferences and would like to meet with teachers, you can schedule a date and time that is more convenient by contacting them on their extensions. Either an in-person conference or phone conference is welcomed.

Visit the Jewell website for up-to-date calendar information, current sports schedules & more: www.jewell.kl2.or.us

KINDERGARTEN ROUND-UP

Teachers and administrators of Jewell School are excited to meet *the Class of 2026*. Parents of children who will be turning 5 before September 1, 2013 need to attend Kindergarten Round-Up to resister and prepare their child for the fall of 2013 Kindergarten classes. Kindergarten round-up will be held on Tuesday, April 23rd at 12:30 p.m.

BUDGET COMMITTEE

We would like to thank all those who showed interest in filling the vacancy seats of the Budget Committee.

Congratulations to Michael Stahly and TJ Hecox who were selected on Monday, March 18th, to fill the vacancies on the Budget Committee. Mr. Stahly and Mr. Hecox will serve on the committee with Allen Foster, Mark Kaminski and Beth MacNicoll.

SENIOR PROJECT NIGHT

The Jewell School would like to thank the Seniors and all the evaluators for a successful Senior Project Night on March 19th!

Way to Go Seniors!

Your hard work and effort paid off!

BARN PROJECT UPDATE

The concrete pour day at the barn was an overwhelming success. We poured 5,000 square feet of concrete slab with the help of at least 30 volunteers. The community turnout was so big that not only did we pour concrete, but we also finished the greenhouse structure addition.

The school district would like to thank everyone for their continued support and effort in the construction of the school's new barn. We could not do it without you.

BRING IN YOUR EMPTY CANS OR BOTTLES

Don't throw away your empty pop cans, instead, donate them to the senior class. The Class of 2013 is collecting empty pop cans to help pay for the senior trip. We will take any refundable cans off of your hands. If you have any, just drop them off at the school and we will take care of them from there. If you do not know if the can is refundable in the state of Oregon, just check the top of the can and look for an "OR". The same is for plastic bottles, just check on the side of the bottle for the same symbol.

SEAMLESS SUMMER FOOD PROGRAM FOR JEWELL KIDS!!!!!!

This summer, children can enjoy **FREE** lunches through the Seamless Summer Food Service Program, a federally funded nutrition program open to **ALL** kids aged 0-18 years. No applications are necessary to drop in and **ALL** children and teens are welcome.

The Seamless Summer Food Program makes sure all children can eat healthy food during the summer months when they can't eat at school. To make the program welcoming and accessible, meals will be served at Jewell School and the Nehalem Valley Community Church.

Summer lunch will be offered EVERY Monday, Tuesday, Wednesday, and Thursday starting June 17th and ending on August 29th. Lunch will be served from 11:30am to 12:30pm at <u>BOTH</u> locations.

At this time we do not have a Birkenfeld location but have a community member who has volunteered to service this area if needed. Please contact me if you or a family you know may need assistance.

Thank you in advance for your participation. I look forward to feeding all of our kids over the summer. Jewell School always welcomes volunteers. Let me know if you are interested in helping out in any way. If you have any additional questions or concerns, please do not hesitate to contact me.

Dear Parents:

We would like to hear from you!

Jewell School District is currently a targeted assisted Title 1 School in grades 1 through 5. Title 1 offers reading support for our students that are behind grade level and need a little extra support. Title 1 is a grant program with funding that is provided by the state. Parent and community feedback is a very important component of our program because NCLB requires feedback and it helps us improve our program. We also want to know how you are involved in decisions regarding your child's education.

Ms. Newton's class recently won a contest for bringing in the most food for troop care packages. The class won a prize of \$100. Instead of using the money to fund their own fieldtrip, the students decided to help a graduating Senior from Astoria HS. The Astoria Senior was working on her Senior project when she had an unexpected death in her family. The Senior student's project was sending troop care packages but because of the tragedy, she fell short of raising enough funding to send her packages to their destination. So, Newton's class stepped in and donated their reward money to help the Astoria Senior out. The Senior is currently very thankful to our students and we are very proud of them as well!! Way to go first and second graders!!!!

STUDY ISLAND SOFTWARE

The Jewell School District recently purchased the software "Study Island". It's a program that helps your student build skills in math and reading. It's great for students who have fallen behind but it's also amazing for students who need challenged and want to move ahead. The software can be accessed at school or at home so if your child's teacher hasn't given you a password for home use, please contact them. It's a great strategy to keep your child academically engaged over the summer.

SUMMER LIBRARY "DIG INTO READING!"

Summer Reading 2013 and the ROCC (rural outreach to Clatsop County) invite children to "Dig Deep and Read!" This summer, Jewell, Astoria, Seaside, and Knappa are four of the districts who will be participating in summer reading programs for Clatsop County.

Summer Library for Jewell will take place on

Wednesdays starting June 19, from 10:00am to 2:00pm. We will have a break from 11:30 to 12:00 for the kids to have lunch also provided at school as part of the Seamless Summer Lunch Program.

This year's theme is "Dig into Reading."
Children will have the opportunity to participate in many outdoor and indoor crafts and activities as well as incentives they will receive for reading, and training their brain to stay smart over the summer months.

Jewell School welcomes the contributions of other community organizations and businesses to make the Summer Reading program an exceptional experience for the children of our community. Please contact me if you are interested in donating funds or volunteering your time.

Thank you for your support and efforts. I look forward to spending time with the Jewell students this summer!

Mobile Food Bank Announces Schedule for Jewell Deliveries

We are pleased to announce that the South County Community Food Bank will consistently set up a mobile food pantry on the second Saturday each month through the end of 2013. The dates are: May 11, June 8, July 13, August 10, September 14, October 12, November 9, and December 14.

of

Residents of the Jewell School District will be able to visit the mobile food pantry at the **Elsie/Vinemaple Fire Station across from the Elderberry Inn Restaurant**. People meeting USDA eligibility requirements and wanting to use the food pantry should bring proof of residency, such as a piece of mail, and containers for the food (boxes, bags, etc.) Only one person from each family will be allowed to go through and pick out items they would like. Anyone with questions or concerns should call Norm McLaren at the food bank, 503-738-9800 or his cell at 503-717-3053.

The mobile food bank will be open from 11:00 am to 1:00 pm or until no one is waiting on the scheduled dates.

Spread the WORD!!!

BECOME a HOST FAMILY

Each year, more than 2,300 exchange students from 90 countries come to the US on AFS programs to study in high schools and live with host families.

By hosting an Exchange Student in your home, you will start seeing the world differently.

For more information please contact Kim Morrison at 755-2451 ext. 2412.

HEALTHCARE

Your child can have healthcare benefits at nocost or low-cost if they are uninsured and under age 19, depending on your family income. For more information please call Healthy Kids at 1-877-314-5678 or go to www.oregonhealthykids.gov

PRE-SCHOOL FUNDRAISER UPDATE

Jewell Kids Care Center is proud to announce that we have sold 15 of our Alphabet Stepping Stones!

The letters left to purchase are: I, J, L, P, Q, T, U, V, W, X, Y and Z.

When all letters are sold, we will place the stones near our room so children can actually use them as stepping stones while learning the alphabet. The price is \$50.00 each. Con-

tributor's names will be engraved in marble on a stepping stone to complete the display.

Buy one for your Family's name to be etched in our heart forever.

Order soon, so we can get them placed as soon as possible. Call JKCC at 755-2451, ext. 2419.

SUMMER FUN AT JEWELL ON WEDNESDAY'S Library, Lunch, and Hip Hop!!!

Summer Library for Jewell will take place on Wednesdays starting June 19, from 10:00 a.m. to 2:00 p.m. We will have a break from 11:30 to 12:00 for the kids to have lunch also provided at school as part of the summer lunch program.

This year's theme is "Dig into Reading." Children will have the opportunity to participate in many outdoor and indoor crafts and activities as well. They will receive incentives for reading and training their brain to stay smart over the summer months. (See inserted reading logs). We will also have a performer on June 26 who will read and sing with the kids.

Renee Meier will be continuing hip hop lessons throughout the summer. Each Wednesday right after summer library the kids can participate in hip hop from 2:00-3:00.

There will be transportation provided by the district to and from school every Wednesday for library, lunch & hip hop. Kids who will NOT be participating in hip hop are more than welcome to stay at the library until the buses leave at 3:00. Stay tuned for exact bus pick up locations and times.

Thank you for your support and efforts. We look forward to spending time with the kids this summer!! If you have ANY questions about summer library, lunch or hip hop; contact information is as follows:

Kids Clothes Exchange!

During the week of Aug 5th -8th the Jewell School will be hosting a Kids Clothes Exchange. It's an opportunity for parents to come together and exchange clothes their kids have out grown! We will be collecting clothes each Monday during the Free Lunch Program. If you don't want to participate but would like to see your child's clothes go to good use please feel free to make a donation! If you don't have clothes that you can donate but would like to participate please feel free to join us! There is no cost. Just drop off what you have and pick up what you can use!

Please only donate clean gently used clothes, no toys or other items. Thank you!

SUMMER FOOD PROGRAM FOR JEWELL KIDS!!!!!!

The U.S. Department of Agriculture (USDA) and State of Oregon prohibit discrimination in all USDA programs on the basis of race, color, national origin, sex, age or disability.

This summer, children can enjoy **FREE** lunches through the Summer Food Service Program, a federally funded nutrition program open to **ALL** kids aged 1-18 years. No applications are necessary to drop in and ALL children and teens are welcome.

The Summer Food Program makes sure all children can eat healthy food during the summer months when they can't eat at school. To make the program welcoming and accessible, meals will be served at Jewell School and Nehalem Valley Community Church.

Summer lunch will be offered EVERY Monday, Tuesday, Wednesday, and Thursday starting June 17th and ending on August 29th. Lunch will be served from 11:30 a.m. to 12:30 p.m. at <u>BOTH</u> locations.

At this time we do not have a Birkenfeld location, but have a community member who has volunteered to service this area if needed. Please contact me if you or a family you know would like to participate.

Thank you in advance for your participation. I look forward to feeding all of our kids over the summer. Jewell School always welcomes volunteers. Let me know if you are interested in helping out in any way. If you have any additional questions or concerns please do not hesitate to contact me.

Thanks-
